Celebrating the Joy of Harvest

Harvest Festivals mark the end of the season and give farmers an opportunity to celebrate the fruits of their labour.

Springtime harvest festivals are when people detox and replenish their metabolism after the winter season. Summer harvests celebrate warmth – ahead of a chilly winter.

The common thread that links all these celebrations is the joy that comes from fulfillment and abundance. In a traditional, festive setting.

Celebrations that ensure continuity and nourish body, mind and soul.

Which we at Automat are delighted to celebrate all year round.

MAKAR SANKRANTI
