[Learn More](#)

---

### **Butterfly Valve**

Facilitates irrigation and water treatment processes – especially in limited spaces. Lightweight, easy to install, made from high quality PVC for strength and chemical resistance.

[Learn More](#)

There has been lack of clarity in the market about the GST amount on impact sprinklers irrigation equipment. Dealers have been billing impact sprinklers irrigation products at 12% but as per the Government's clarification via a new ruling – GST rate applicable is at 18% on the impact sprinklers irrigation system due to which there is a lot of turmoil in the market place. Industry associates are in process of taking it up with GST council for final clarification and changes.

**We're coming to EIMA 2018 !**

All roads will lead to Hall 22, Stand B1 at EIMA 2018, between 7th-11th November, 2018 at Bologna, Italy ! Here's where Team Automat will be waiting to meet the best and brightest in our business with everything that's new and amazing in our world ! See you there !
